Application Form

When we receive this application, we will send you a packet with instructions for planning, plus all necessary forms. A lifetime membership is \$40 per adult and is transferable, although some other organizations may charge minimal transfer fees. RFS does not charge any transfer fees to incoming transfers.

The Redwood Funeral Society (RFS) is totally supported by subscription fees and donations. We do not accept any kind of compensation from the businesses we evaluate. We welcome, and are always seeking, volunteer help.

Donations to RFS are not tax deductible. However, contributions and bequests to our Society help defray our operating expenses. If you are able to make a contribution of any amount in addition to your \$40 subscriber fee, we thank you. Your support is greatly valued. If you have any questions, please call (707) 568-7684. If you might be interested in volunteering, please call and leave a message for the Volunteer Coordinator.
